DAY
1

Choose God's Way

Levi sat at his money table when Jesus said, "Follow me." Levi left his coins and followed. Living for God means choosing God's way and showing others the love of Jesus.

2

Follow Every Day

Jesus invited Levi to follow Him. Levi left his money and started living for God. Living for God means following Him. When you wake up, ask, "God, how can I follow You today?" Maybe you pick up toys, share snacks, or tell someone, "God loves you!" When you start to make a choice, think "Would Jesus do this?" And if it's yes, go ahead and do it! Following Jesus is always the best choice. Keep up the good work and keep following.

DAY
3

Helpful Hands

Living for God shows in what you do, not just what you say. Look around your home. See a job waiting? Maybe fold blankets, feed the pet, or set forks on the table. Do it gladly, even if no one asks. One way to live for God is to start noticing needs. And you don't wait for someone else to do it.

Draw a picture of the chore you will do today. After you finish the job, put a checkmark on your drawing.

KNOW you can follow Jesus every day!

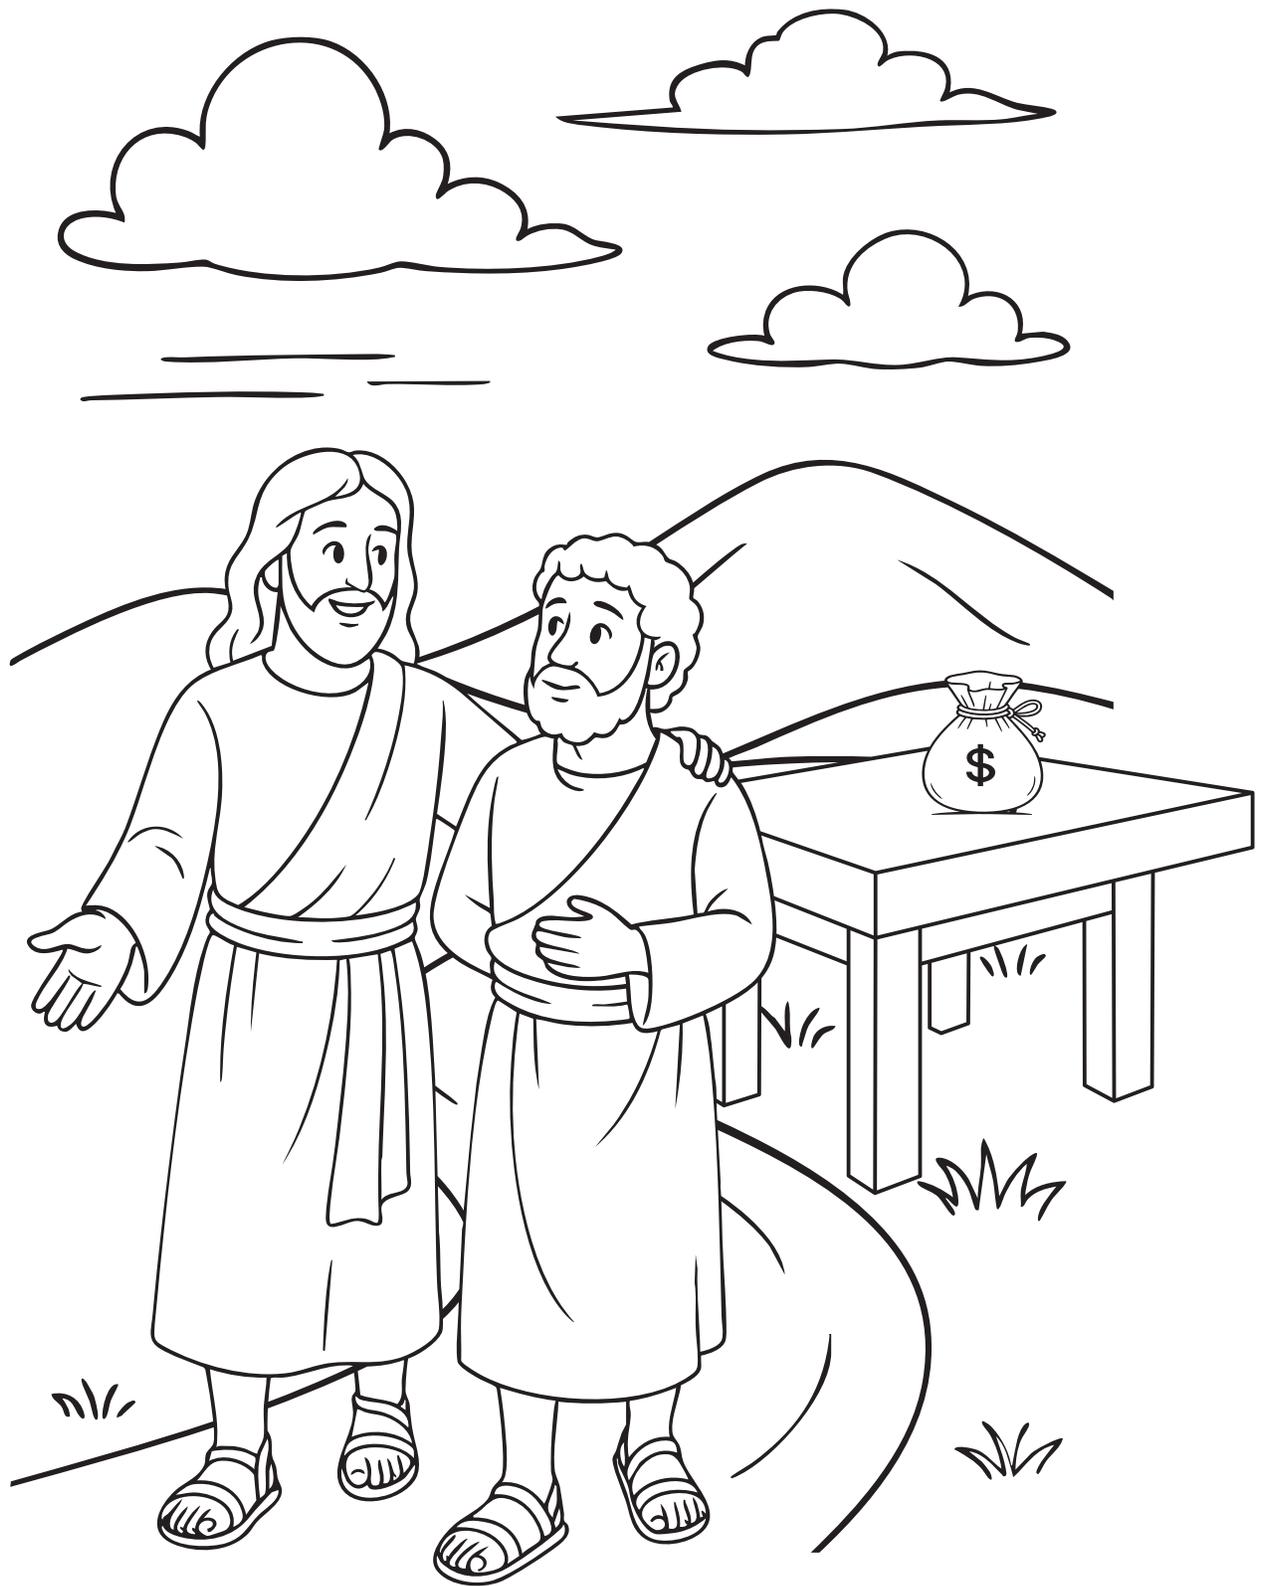

DAY
4

Shine His Love

Living for God means letting His love shine through everything you do. Think about a flashlight—when you click it on, dark places brighten up. When you choose to be kind, share, or obey, you turn on God's light for others to see. Today, pick one way to shine, maybe giving a hug or cleaning without being asked. Keep shining the love of Jesus!

"Dear God, thank You for loving me. Help my light shine for You. In Jesus' name, Amen."

Practice living for God.
